

INFORMATION FOR STAR TESTING

As you are enrolling your child, we need this information filled out and returned with your other papers. The Star 9 test form requires us to collect this data and record it on the form. Please note this request is not originating from Pacific Grove Unified School District. Accurate data is essential, since the API (Academic Performance Index) uses this information to place us in a similar schools band. We feel quite proud of our growth in the API Index and want to be compared with similar schools. That is why this accurate information is so important. Please take the time to complete this form and return it promptly, along with your new student pack. Thank you, Catherine McAweeney, Testing Coordinator
